About Us

Battle River Railway is a New Generation Cooperative owned locally by and for farmers. Headquartered in Forestburg AB, we own and operate our shortline railway from Camrose to Alliance AB, as well as grain assets at 3 locations along our railway. Through our partnership with Purely Canada Foods, we aim to provide value to farmers as they sell their crops to local and global markets.

Purely Canada Foods (PCF) is a vertically integrated grain exporting company headquartered just outside Regina SK, with physical assets including railway infrastructure, grain storage terminals, private railcar fleet, and strategic farm acres. These assets allow PCF to reliably and nimbly provide the highest quality products and service to our domestic and international customers. Purely Canada has additional offices in Saskatoon SK, Forestburg AB & Blenheim ON.
